Dear Provider,

The Orange County Office on Aging (OoA) is working closely with the Orange County Aging Services Collaborative (OCASC) to conduct a needs assessment of older adults residing in Orange County. The focus is to evaluate needs and understand available resources. Responses can contribute to future funding requests, employ collaborative partnerships, provide ideas for educational programs, innovate programming to maximize limited resources, and help to create new programs

We are reaching out to you because we feel that your organization could contribute by helping us to distribute and collect the surveys through your networks.

Here are some suggestions on how you can distribute our online survey:

- Organization's website
- Social media channels such as, Facebook and Twitter
- E-newsletters
- Agency email blast

Hard copy surveys are also available for publication and can be distributed (if applicable) in any of the following:

- Lobby / Waiting room
- Community/Health Fairs
- Newsletters
- Conferences
- Educational classes/presentation
- Support Groups
- Agency Events

You can find our online survey at

Thank you for your consideration and all the work you do to ensure our seniors live a thriving life in Orange County.
