SENIOR/COMMUNITY CENTERS

DESCRIPTION:

Senior/Community Centers act as a focal point for Older Americans to receive many aging services. They are a vital part of the aging network and provide a variety of programs and services to help seniors maintain their functionality, independence, and vitality. Most senior centers are free to attend; however, there may be cost associated with certain services, activities, and/or programs being offered at the centers. Senior/Community Centers provide a secure and caring environment for senior citizens.

PROGRAM SERVICES:

Senior/Community Center program services include arts and humanities activities, educational opportunities, counseling and support groups, volunteer opportunities, leisure travel programs, and health and wellness programs. Some Senior/Community Centers also offer meals, help with financial and medical paperwork, case management, legal support, transportation, shopping trips, outings, friendship, and other services specifically for seniors.
