

OC Public Libraries Presents

Gardening Workshops

Join OC Public Libraries for a series of gardening workshops. All supplies will be provided. Space is limited, please contact individual branch for registration details. All ages welcome!

Mason Jar Garden

Wed, May 7, 2025 at 10:15am | San Clemente Library | 949-492-3493

Let's have some relaxing fun playing in the dirt and creating keepsake mason jar terrariums.

Bees and Other Pollinators

Tue, May 13, 2025 at 10:00am | Laguna Woods Library | 949-476-4600

UC Master Gardeners of Orange County will teach you how to attract bees and other pollinators to your garden.

Grow & Glow - Plant & Decorate

Wed, May 14, 2025 at 4:00pm | Laguna Niguel Library | 949-249-5252

Join us for a fun, hands-on workshop where the whole family can plant greenery, decorate pots, and learn about plant care!

Drought Tolerant Gardening

Sat, May 17, 2025 at 11:00am | Laguna Beach Library | 949-497-1733

UC Master Gardeners of Orange County will cover gardening in the Southern California Mediterranean climate.

Air Plant Terrariums

Wed, June 4, 2025 at 5:00pm | Costa Mesa Mesa Verde Library | 714-546-5274

Craft your own coastal themed globe terrarium featuring an air plant.

Herbs

Tue, June 10, 2025 at 10:00am | Laguna Woods Library | 949-476-4600

UC Master Gardeners of Orange County will cover how to grow herbs in your garden.

Wildflower Seed Bombs

Mon, June 16, 2025 at 4:00pm | Garden Grove Tibor Rubin Library | 714-897-2594

Join us as we learn how to make sustainable wildflower seed bombs.

Garden Bugs

Thu, June 19, 2025 at 4:00pm | Fountain Valley Library | 714-962-1324

Start a sustainable garden at the library; join us to choose, plant, and grow the provided vegetable and herb seeds.

Tomato Care

Sat, June 21, 2025 at 11:00am | Laguna Beach Library | 949-497-1733

UC Master Gardeners of Orange County will cover tips and methods to keep your tomatoes abundant and healthy.

Fairy Gardens

Mon, June 23, 2025 at 4:00pm | Los Alamitos-Rossmoor Library | 562-430-1048

Join us as we create enchanting fairy gardens using natural materials, miniature decorations, and a sprinkle of imagination.
