

# COOLING CENTERS

When extreme heat arrives in Orange County, stay safe and find relief from soaring temperatures at a local cooling center from the Orange County Cooling Center directory below.

## Top 3 Heat Tips from [HeatReadyCA.com](https://www.heatreadyca.com)

**Stay Cool:** Avoid being outside in the direct heat for a long time. Try to stay in air-conditioned spaces, at home with your A/C set between 75-80, or at your local library, shopping mall, or community center. If staying home, keep blinds closed and wear loose, light-colored, lightweight clothing.

**Stay Hydrated:** Sip water all day and consider supplementing with sports drinks. Avoid caffeine and alcohol.

**Look After Each Other:** Check in on friends and family and have them do the same for you.
