Jeffrey Eisner is a multiple-time #1 bestselling author where his debut cookbook was one of the most sold during the 2020 pandemic – a time when people were cooking at home more than ever. His trusted and signature recipes earned him numerous repeat appearances on television shows such as Rachael Ray, Good Morning America, and The Food Network. He develops and tests his recipes based on his travels with some of his native New York flair tossed into the mix. When not cooking, he enjoys spoiling his dog, Banjo the Norwich Terrier. He also loves theatre and pinball. Check him out at pressureluckcooking.com and on the various social media platforms.
