# **Adult Day Services Agencies**

## **TARGET POPULATIONS (s)**

Adult Day Service Centers often serve specialized populations, which include Alzheimer's patients, specific cultural groups, developmentally disabled adults over 18 and the frail elderly population. Centers operate under a medical model and/or a social model as described below. Caregivers and families are served in all programs through education, support and respite.

### **ADULT DAY SERVICES (Health Model)**

Adult Day Health Care Programs provide a variety of health and therapeutic services for the frail elderly, and adults over 18 experiencing chronic illness, and/or mental and/or physical impairments. Nursing, dietary, social services, structured recreation activities and rehabilitation services are provided. The focus is on a multidisciplinary approach to care. The goal is to maintain functionality, independence and to prevent premature institutionalization. The provision of caregiver support and respite is central to the program. Hours M-F – 7:00 a.m. to 5:00 p.m. various languages are spoken. Some centers service specific populations. Centers accept Medi-Cal reimbursement, SCAN, private pay and sliding scale payment.

### **ADULT DAY SERVICES (Social Model)**

Adult Day Care Programs provide a secure and caring environment for those 60 years of age or older, who are struggling with minor mental or physical impairments. Some Day Care Program provides services for those who are disabled and not 60 years of age. Participants interact through music, physical activity, and socialization. The goal is to enhance functionality and independence and provide caregiver respite. Office hours are. M-F, 8:00a.m. to 5:00p.m. Centers accept SCAN, private pay and most offer a sliding scale. The Centers are not Senior Centers as participants need supervision.
