# THE ASSISTED LIVING WAIVER (ALW) PROGRAM

The state of California established the Assisted Living Waiver Program (ALWP) to support Medi-Cal beneficiaries to ensure they can stay in their community as opposed to living in a licensed health care facility. Both older adults and/or persons with disabilities are provided specified benefits through this program.

## QUALIFYING FOR THE ALWP:

### DETERMINE MEDI-CAL & LEVEL OF CARE ELIGIBILITY

**DETERMINING MEDI-CAL ELIGIBILITY:** ALW eligible individuals are those who are enrolled in Medi-Cal and have medical needs in which can be supported in a nursing facility that provides the level of care they need. Individuals with Medi-Cal benefits that include a share of cost may not be enrolled in the ALW. Please contact Orange County Social Services Agency at 1-800-281-9799 for questions about Medi-Cal.

**DETERMINING LEVEL OF CARE ELIGIBILITY:** To determine the Level of Care, the older adult or person with a disability must meet the level of care provided in a nursing facility due to their medical needs. Please contact a Care Coordination Agency (CCA) who will have a Registered Nurse (RN) complete a pre screening with the older adult or the person with a disability over the phone before an appointment is scheduled for the actual assessment. A list of CCAs can be found in a list below. Please make sure the CCA provides services for those living in Orange County.

### FINDING A FACILITY

When an older adult or person with a disability is granted the ALW, they must contact a facility that accepts the ALWP to learn about availability. Please find a list of facilities that accept the ALWP in Orange County highlighted in black below.

For further information or questions about the ALWP, please contact the California Department of Health Care Services at 916-552-9105 or visit their website at <https://www.dhcs.ca.gov/services/ltc/Pages/AssistedLivingWaiver.aspx>
