ORANGE COUNTY OLDER ADULTS ADVISORY COMMISSION

The Orange County (OC) Older Adults Advisory Commission (OAAC) advises the County on matters affecting older adults in OC. OAAC comprises 40 volunteer members, including local elected officials, healthcare professionals, supportive service providers, community leaders, and the general public.

OAAC hosts a monthly presentation during commission meetings to share information on services and resources for older adults, people with disabilities, and caregivers.

UCI SENIOR HEALTH CENTER RECAP: JUNE 12, 2026

The UCI Senior Health Care Center and Geriatrics medical team presented on services, programs, research, and education that support healthy aging through an Age-Friendly Health System. The presentation highlighted how geriatric care clinicians support older adults and caregivers through complex care coordination and ongoing research that advances healthy aging. Attendees also learned about available medical and preventative care services, caregiver resources, and a whole-person approach to promoting health, well-being, and quality of life.
